

WEST MICHIGAN
CPAP Alternatives
Customized Sleep Apnea Solutions
— Dr. Vandervelden —

WE HAVE EXCITING NEWS!

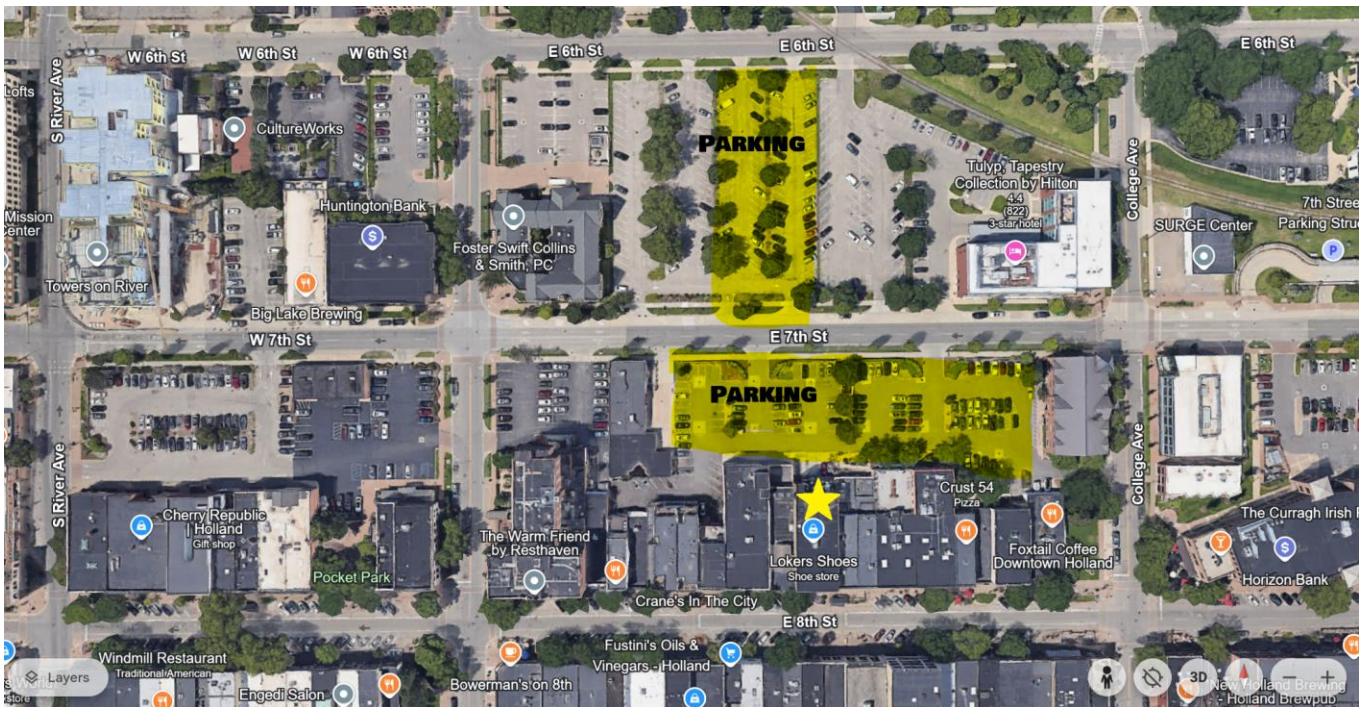

We are happy to announce that our new location is ready!

As of March 28, 2025, our practice will be located at:

31 East 8th Street
Suite 330
Holland, MI 49423

Starting March 28, 2025, if you have an appointment or ring tests to drop off, please go to our new location.

Parking for the practice will be directly behind our building off of 7th Street, with additional parking between 6th and 7th street (marked by a large Public Parking sign). Our practice is on the 3rd floor above Lokers Shoe Store in Holland. An easy way to find it is to look for the only glass elevator. Use the glass elevator near the 7th Street entrance of Lokers Shoes and go up to the 3rd floor.

The drop box for the ring tests will be located on the ground floor near the glass elevator for easy and convenient drop off. Access to the Drop box is subject to Lokers Shoes hours, Tuesday-Saturday 9:30am-6pm.

If you have any questions or need assistance, please call our practice at (616) 741-9035 or email Carmen carmen@wmcpapalternatives.com or Cindy cindy@wmcpapalternatives.com

We hope to see you soon!

Dr. Vandervelden and the West Michigan CPAP Alternatives Team
