

WE HAVE EXCITING NEWS!

We are happy to announce that our new location is ready!

As of March 28, 2025, our practice will be located at:
31 East 8th Street
Suite 330
Holland, MI 49423

Parking for the practice will be directly behind our building off of 7th Street, with additional parking between 6th and 7th street (marked by a large Public Parking sign). You can also attempt to park on 8th street, although this is not recommended when it's busy downtown due to limited open spaces.

Our practice is on the 3rd floor above Lokers Shoe Store in Holland. See images below for ways to access our practice from 7th street or 8th street.

Go through the double
door, hang a right
to the elevator. Our
practice is on the 3rd
floor.

Left Door under "37"
gives 8th street access
to stairs that go up to
the 3rd floor.

Access to the elevator
from 8th street- walk
through Lokers shoe
store. Elevator located
in the back. Go up to
3rd floor.

The drop box for the home sleep testing equipment (ring device) will be located on the ground floor near the elevator for easy and convenient drop-off. Access to the Drop box is subject to Lokers Shoes hours, Tuesday-Saturday 9:30am-6pm.

If you have any questions or need assistance, please call our practice at (616) 741-9035 or email Carmen: carmen@wmcpapalternatives.com

We hope to see you soon!

Dr. Vandervelden and the West Michigan CPAP Alternatives Team
